Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Wade Stephney appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 42 U.S.C. § 1983 (2000) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Stephney v. Seaside Truck, No. CA-04-1381-4-27BH (D.S.C. Oct. 8, 2004). We deny Stephney's "Notice and Motion for Continue to Amended Additional Defendant," and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
